Koester's Bakery located at 644 West Lexington Street, a stone's throw from Lexington Market. Founded in 1880 by Eilert Koester and his wife Lisette, Koester's bakery grew to become at one time the largest family-owned bakery east of the Mississippi River. Koester's baked a variety of goods including half-loaves of breads, rolls, and an assortment of sweet pastries. Koester's products were savored locally and on the Eastern Shore, where the company had a distribution facility. The longstanding Koester's bakery shuttered on Friday, October 11th, 1974.
