

Nature Committee Meeting

“A Garden Built for Pollinators”

Creating a Pollinator Patch:

Discover the easiest way to create a native flower garden to attract butterflies and bees. Find out how to support both adult pollinators and their young.

Pollinators Magical Monarchs:

Be inspired by the amazing migrations of an animal that weighs only ½ as much as a dollar bill. Learn the conservation issues they face and how we can help monarchs.

Beyond Honeybees: Meet our native bees:

Did you know that Maryland has over 400 species of native bees? Discover some of their diversity and how their lifecycles are surprisingly different from familiar honeybees.

Thursday, April 2nd at 11:00am
Auditorium
