Barry Rascovar, retired newspaper reporter, editor, and columnist returns to Broadmead to present this summer's lecture series for a deeper dive into the news events of the day.

Topics will be announced on the BRA Listserv before each talk (always subject to late breaking news!).

After the presentation, thoughtful and discussion from all viewpoints, will be encouraged - and valued.

Please note that recordings of the presentations will be made available the next day, on Friday, at 2:00 PM, to watch on B.TV Channel 971 and on Broadmead Connect.
