

“Trauma Programs at The R Adams Cowley Shock Trauma Center”

Speaker: Justin Graves, Director

Thursday, May 14th at 7pm
Auditorium

“Justin Graves is an experienced leader in behavioral health, serving as Director of Trauma Programs with a focus on improving care for individuals impacted by complex trauma. He is known for developing and overseeing evidence-based treatment initiatives, fostering interdisciplinary collaboration, and supporting trauma-informed practices across clinical teams. His work emphasizes both patient-centered outcomes and staff education, helping organizations deliver compassionate, effective, and sustainable trauma care.”
