

Nature Committee Meeting: **Wings in the Neighborhood**

Thursday, October 1st at 11:00am
Auditorium

We will welcome resident Peter Lev, past President of the Baltimore Bird Club, who will share interesting facts about these fascinating creatures.

Debbie Terry, who leads bird walks at Broadmead on Sundays at 8am, met Peter through their interest in birding. If interested in these birding adventures at Broadmead, contact Debbie Terry at Debterry78@gmail.com or 443-578-x8243.
