

Craft Course at Broadmead Fall 2025

Quilling

"Quilling is a decorative art form that involves rolling, shaping, and gluing strips of paper into coils and other forms to create intricate designs and pictures."

Mondays:
October 6th, 13th, 20th, & 27th
3:15pm–4:45pm
Arts & Ceramics Studio

Overview:
4 weeks of arts and crafts projects with one-on-one guided instruction from an expert instructor.

Project Instructor: Tracey Robbins
Tracey Robbins has been teaching multiple craft project courses in the local Baltimore community to children and adults for many years, including the Myerberg Center and the Jewish Community Center. She is creative, resourceful, and mindful of the environment
