

Baltimore Museum of Art (BMA)

Flashback Exhibit

10 Museum Art Dive Baltimore, MD 212185

Thursday, November 12, 2026

Experience the first major exhibition to examine Baltimore's pivotal role in the history of photography.

Featuring more than 200 images spanning 185 years, Flashback traces photography in Baltimore from its earliest forms to unforgettable contemporary works. From rare daguerreotypes and Civil War-era photographs to images captured during landmark cultural moments of our time, the exhibition shows photography evolving across generations and offers a rich, nuanced portrait of Baltimore.
