

CELEBRATING JUNETEENTH

On Thursday, June 18th from **11am-1pm**, Broadmead Welcomes
Shamica Sheppard, Founder of the Mobile Bookstore:

R&B and Books is a Black-woman-owned business bringing a thoughtfully curated collection of culturally affirming reads for all ages and interests. The bookstore will be parked just downhill from the Community Center and is fully accessible for those with wheels!

In addition, stop by the Bistro for **Taharka Brothers Ice Cream** and pick up a coupon for **\$5 off** your bookstore purchase.

Why a mobile book store and ice cream??

Because not only are they fun, but we believe that one way to celebrate freedom is by investing in Black stories, businesses, and voices.
