7:00pm**

As part of the Baltimore Chamber Orchestra's Education Initiatives, the Live Wire String Quartet provided live, curriculum based programs in Baltimore City elementary schools from 2007-2019. Their current mission focuses on performing captivating, entertaining and informative concerts at senior living communities throughout the Baltimore metropolitan region.

This concert is made possible with a grant from the Lois and Philip Macht Family Philanthropic Fund of the Associated in collaboration with the Baltimore Chamber Orchestra.
