

Sailors for Sustainability Epic Voyage

Speakers: Floris van Hees and Ivar Smits, Founders

**Sunday, September 27th
4:00pm
Auditorium**

Floris van Hees and Ivar Smits are the founders of Sailors for Sustainability, a global project that uses the power of sailing and storytelling to promote sustainable solutions. Since 2016, the two Dutch sailors have traveled the world aboard their sailboat Lucipara 2, documenting inspiring examples of environmental stewardship, renewable energy, sustainable agriculture, and community resilience to show that a more sustainable future is achievable.
