

## **Facilities Services Notice: Auditorium Unavailable May 26th-May 29th**

We wanted to give you a quick heads-up that the Auditorium will be unavailable May 26- May 29th while we complete the installation of new acoustical panels.

We know the Auditorium is a well-used and valued space, and we truly appreciate your flexibility while this improvement is underway. These upgrades are part of our ongoing efforts to enhance sound quality and make the space even more enjoyable for everyone.

We'll work to reopen the Auditorium as soon as installation is complete and will keep you updated. In the meantime, please feel free to reach out if you need help identifying alternative spaces for gatherings or activities.

Thank you for your understanding—we look forward to you enjoying the improved space soon!
