

# **“ Baltimore’s Development: Today and The Future”**

**Speaker: Frank Knott**

**Thursday, June 11th at 7pm  
Auditorium**

Innovation Works is a Baltimore-based nonprofit that focuses on closing the city’s racial wealth gap by supporting local entrepreneurs. It connects neighborhoods, business leaders, and investors to build sustainable community-based economies and create jobs in underserved areas.

Frank Knott is the founder of Innovation Works and a longtime social entrepreneur. He launched the organization in 2017 to use business development and investment as tools to revitalize Baltimore neighborhoods and reduce economic inequality.
